Beginning date of coverage _____ Ending Date of Coverage _____

Are Naturopathic services covered on my policy?

If so, do I need a referral from my primary care physician (PCP)? ____ (Yes) ____ (No)

If I go to a Licensed Naturopathic Doctor are they considered an out-of network provider?

What is my deductible for the year and has any or all of it been met?

Deductible \$ _____ Amount of Deductible met so far \$ _____ Date _____

[HB 351, an act to provide insurance coverage for naturopathic doctors](#), was signed into law in 2012, so why is there no naturopathic coverage on my policy? And more importantly, how can I change that?

Are acupuncture, nutritional counseling, midwifery or any "alternative" forms of medicine covered on my policy?

I would like to request that my Naturopathic Doctor be added to your provider list and/or be considered an out-of network provider.

Are there other healthcare policies close to my existing policy that would cover Naturopathic Medical services?
